

Cloud Migration Discovery

Our Expertise. Your Journey.

See how Ubertas Consulting can support your journey to AWS with a complimentary migration discovery

Ubertas Consulting is a leading AWS Advanced Partner, specialising in moving mission critical workloads to the Cloud. Together with AWS, we have developed tried and tested methodologies to accelerate and guide migrations.

Accredited in AWS migration, we have assisted over 250 organisations across a diverse range of market sectors and services, align to best-practice and migrate.

Our experts are unmatched in their knowledge of AWS technologies. As a Validated Well-Architected Partner we accelerate best practice design, supercharging your cloud migration strategy and helping you to achieve your goals faster.

WHY MIGRATE?

On average, migrating to AWS delivers:

20%

Average infrastructure cost savings.

66%

Increase in administrator productivity.

43%

Lower time to market for new features.

29%

Increase in staff focus on innovation.

45%

Fewer security related incidents.

WHAT IS CLOUD MIGRATION DISCOVERY?

Cloud Migration Discovery is a risk-free first step to help you rapidly understand what your infrastructure could look like when migrated to AWS, insights into future Total Cost of Ownership (TCO) and an exploration of the support available from Ubertas Consulting.

We understand that this journey can be daunting to any size of company, which is why we offer this opportunity complimentary to customers who are interested in migrating to AWS.

We utilise our expert experience to identify your migration scope, propose your high-level architecture and associated TCO model, and determine your AWS funding program eligibility.

HOW DOES IT WORK?

Once booked, your fully funded Cloud Migration Discovery journey begins.

Review

Rapidly discover the current state architecture, the scope and scale of the workloads, the organisation, costs and migration rationale

Propose

Explore a representation of your target state environment, the AWS technologies and services available to you and the TCO

Roadmap

Discover how collaborating with Ubertas Consulting can accelerate your journey, unlock AWS-funded programs, and streamline your migration
